Max. operating pressure 1,0 MPa, operating temperature 0 °C - 110 °C

Manufacturer:

HECKL s.r.o.

Přemyslova 153

278 01 Kralupy nad Vltavou - Mikovice, Czech Republic

ID No.:

62956833

Place of manufacture:

Facility Staré Křečany 564, 407 61 Staré Křečany, Czech Republic

the Authorized Body reviewed the source materials submitted by the manufacturer, conducted the initial product type testing of the sample, assessed the factory production control, and ascertained that the products specified above fulfil the essential requirements of Government Regulation 163/2002 Coll., as amended by Government Regulation 312/2005 Coll. For assessing conformity, the Authorized Body used the following normative documents: ČSN EN 1254-1:2000, ČSN EN 1254-4:2000, Act 258/2000 Coll., as amended, Ministry of Health Decree 409/2005 Coll., as amended by Decree 352/2013 Coll.

The Authorized Body ascertained that the factory production control complies with the corresponding technical documentation pursuant to Art. 5 (1) (d), and ensures that the marketed products fulfil the requirements specified by the standards and technical regulations specified above and correspond with the technical documentation pursuant to Art. 4 (3).

An integral part of the present Certificate is Final Report No. 30-10684 dated 23 March 2016, which contains the conclusions drawn from the inspections and verifications, as well as the test results and basic description necessary for identification of the certified product. The present Certificate remains valid as long as the requirements specified by the standards and technical regulations above, to which reference is made, or the production conditions at the place of production or the factory production control remain substantially unchanged.

At least once every 12 months, the Authorized Body will conduct surveillance of the due functioning of the factory production control at the place of production, take product samples at the place of production, test the product samples and assess whether the product characteristics comply with the standards and technical regulations above, pursuant to the provisions of Art 5 (4) of the above-mentioned Government Regulation. If the Authorized Body identifies any defects, it shall be authorized to revoke or modify the present Certificate.

Brno, on 24 March 2016

Ing. Pavel Štícha  
Director for Certification
