**Hudcova 424/56b, Brno, Czech Republic**

Authorization Decision 27/2006 dated 29 August 2006

# PRODUCT CERTIFICATE

**202/C5/2016/J-30-20088-17**

In accordance with the provisions of Art. 5 (2) of Government Regulation 163/2002 Coll., laying down the technical requirements for selected construction products, as amended by Government Regulation 312/2005 Coll. and Government Regulation 215/2016 Coll., the Authorized Body hereby confirms that for the following construction product

Type designation: Iron covers, grates and drains; loading class: B125 to D400  
WAVIN, AGARA, TIBERIS, LIGARA, IBERUS, MARGUS, PIPELIFE,  
OSMA, TAMESIS, CALIPUS, ARNUS, TANAIIS, ATERNUS

Product specifications: Construction Technical Certificate STO-30-20087-17 dated 10 February 2017

Manufacturer: HECKL s.r.o.  
Přemyslova 153  
278 01 Kralupy nad Vltavou - Mikovice, Czech Republic

ID No.: 62956833

Place of manufacture: HECKL s.r.o.  
Facility Staré Křečany 564  
407 61 Staré Křečany, Czech Republic

the Authorized Body reviewed the background materials submitted by the manufacturer, conducted the initial product type testing on the sample, the initial assessment within the production site, and assessed the factory production control, and ascertained that the product specified above complies with the requirements related to the essential requirements of Government Regulation quoted above, set in Construction Technical Certificate STO-30-20087-17 dated 10 February 2017 issued by Authorized Body 202, valid until 10 February 2020, and that the factory production control is in conformity with the relevant technical documentation, and ensures that the marketed products fulfil the requirements specified by the Construction Technical Certificate mentioned above, and correspond with the technical documentation pursuant to Art. 4 (3) of the Government Regulations specified above.

Final Reports 30-10948/1 to 30-10948/13 dated 23 February 2017, containing the conclusions of the findings, verifications and tests, as well as the basic description necessary for the identification of the certified products, are an integral part of the present Certificate.

The present Certificate was first issued on 24 February 2017 and remains valid as long as the requirements specified by the Construction Technical Certificate to which reference is made, or the production conditions at the place of production, or the factory production control, remain substantially unchanged, or until the Authorized Body amends or revokes the present certificate.

At least once every 12 months, the Authorized Body will check the due functioning of the manufacturer's factory production control, pursuant to the provisions of Art. 5 (4) of the above-mentioned Government Regulation, and shall take product samples at the place of production, test the product samples and assess whether the product characteristics comply with the Construction Technical Certificate. The Authorized Body shall evaluate the surveillance and issue a report for the manufacturer.

Brno, on 24 February 2017

  
Ing. Pavel Šticha  
Director for Certification
